G.O.Ms.No.2524, Dated 12th August 1947.

Read: Government of India, Home Department, Immediate Telegram No.6531, dated 10th August 1947.

ORDER:

Recorded.

(By order of His Excellency the Governor)

W.Scott Brown,
Chief Secretary to Government.

To the Education and Public Health, Home Development, Public works, Legal and Public (Services) Departments.
To all I.C.S Officers concerned.

Copy of Immediate Circular telegram No.6531, dated the 10th August 1947 from the Secretary to the Government of India, External Affairs Department, New Delhi.

Question has been raised whether in view of Section Ten of Indian Independence Act it is permissible to terminate prematurely services of officers of Secretary of State's Services who continue in service after August 15th. Where a non-Indian officer is informed before August 15th that he will be retained in service for a specified period Section Ten of Indian Independence Act does not preclude terminatic of his appointment on that date. His services cannot repeat not be terminated earlier except for disciplinary reasons. Also services of Officers who are kept on indefinitely - whether Indian or non-Indian cannot repeat not be terminated prematurely except for disciplinary reasons. In both cases it will be necessafy to follow prescribed form procedure including consultations with Federal Public Service Commission before ordering removal from service.
